

# My Computer

**A: Drive  
Floppy Disk**

Where you put an external floppy disk.

**C: Drive  
Hard Drive**

This is the hard drive in the computer. If you save files to the hard drive in the labs your data will be erased when the machine is restarted.

**D: Drive  
CD/DVD Drive**

This is where you will read the files from your CD. You can also insert a DVD to view movies or to pull data from. In the lab you can burn data to a CD, but not a DVD.

**S: Drive  
Share on  
'Scc\_acadlab\Vol1'**

This is where you will be going to get to the folder to save your files. In the lab, My Documents will also take you here.

**Other Drives**

There are other drives that we will not be using in this class.

This is where all your files will be saved!

**Your Folder**

This is the folder with your name that you created

**CIS 110  
SD2**

This is our class folder

**la scline**

This is my folder on the Share Drive
